A1: In a few sentences, please provide feedback on your learning experience in this course. Consider the assignments and feedback you received, materials, learning activities and interactions with peers, your interactions with the instructor and other aspects related to your learning experience that you want to mention.

It was actually super fun. The assignment's weren't super stressful like feeling it's too much work but whatever work we got really helped me understand the course material. The instructor helped me whenever, I had a question or issue related to the course material.

The homework's and quizzes help a lot to understand the course.
